MEMORANDUM FOR: Executive Officer to the DDA 25X1

FROM: Daniel C. King  
Director of Logistics

SUBJECT: Certain Delegations of Authority to FBIS Bureau  
Chiefs [ ]

REFERENCE: Memo, DDS&T to DDA, dtd 6 Aug 84, Same Subject 25X1

I agree with the practicality of delegating the logistics authorities enumerated in paragraph 8 of the attachment to referent. I'd suggest, however, that some of those statements be clarified to preclude misinterpretation and to more closely follow the wording of the regulations. Those clarifications are noted on the attachment. [ ]

MEMORANDUM FOR: Deputy Director for Administration

25X1

FROM: R. E. Hineman  
Deputy Director for Science and TechnologySUBJECT: Certain Delegations of Authority to FBIS Bureau Chiefs  

25X1

Harry:

1. I understand the FBIS Director has in past years retained various authorities similar to those invested in Chiefs of Station. From time to time, with the concurrence of various offices of the DDA, certain authorities have been delegated to FBIS Bureau Chiefs. With the "search for excellence," the Director of FBIS has recently examined authorities delegated to him with the idea of redelegating certain of these to his Bureau Chiefs. I am told that the authorities suggested for delegation parallel those granted to Chiefs of Station and Base. 

25X1

2. I request that the DA examine these suggested delegated authorities with a view to redelegating them from the Director of FBIS to his Bureau Chiefs (and, in their absence, Deputies who are Acting Chiefs). All other authorities delegated to the Director of FBIS and not contained in the attached list would be retained with the Director of FBIS.
